

Meetings Reimagined

For those seeking to combine business with pleasure, Islander Resort in Islamorada in the Florida Keys, is the ideal venue for incentive travel, executive retreats, corporate groups and special events. Just an hour's drive from mainland Florida, but a world away from your conventional hotel.

Meet on a beach? Islander Resort's complimentary wireless and high-speed internet, private beach, audio-visual services and our dedicated staff can allow you to do just that. Our state-of-the-art conference center includes an intimate board room, a beautiful ballroom, an ocean-facing verandah and a terrace with amazing views of the Atlantic. Events can easily flow from the beach onto the Tarpon Terrace and right into the ballroom. The conference center is fully accessible and may be used for indoor or outdoor meetings and receptions.

Work hard and play hard... we can help you with both. Spend some time in a hammock. Swim, snorkel or scuba dive. Catch a world class marlin or take a bicycle and explore Islamorada's galleries, unique shops and wonderful restaurants. Our concierge is standing by to help arrange activities from Islander Girl Snorkel & Tours and fishing charters to spa services.
